The motorman, W. F. Brown, who was arrested, has been bailed for his appearance before the Mayor on Tuesday.

Hatch Wins Suit.

The case of John V. J. Frank Hatch was heard yesterday in the court of Squire Jordan by Mayor Maurice, and the defendant was given judgment. Mr. Hatch purchased the Tabernacle, in which Mr. Hatch wintered his carnival paraphernalia. The Tabernacle was located at Cowardin Avenue and Porter Streets and according to the agreement Mr. Hatch was to vacate on April 1st, but the weather interfered and he could not move. Mr. Hatch had bought the building from Mr. E. Shields, and sued Mr. Hatch for \$100 damages on account of the delay in his getting the material from the building. Mr. Hatch was represented by Mr. E. H. Wells.

No News Yet.

Almost a week has now elapsed since Superintendent Allen, of the Alms-house, disappeared, and up to this time nothing has been heard from him. The fight for his place will be one of the most interesting political contests ever known in the city, there being over twenty candidates.

Will Continue to Press Rate Matter if Appeal Is Taken.

The board of directors of Virginia Division of the Travelers' Protective Association held its bi-monthly session at Post A's headquarters last night.

Those present were Messrs. C. E. Herbert, of Norfolk, president; A. D. Brockett, of Alexandria; J. J. King, of Norfolk; D. W. Sala, of Lynchburg; J. L. Hill, of Richmond; J. G. Williams, of Alexandria; T. S. Beckwith, of Petersburg; Joseph Stebbins, of South Boston; J. O. Boatwright, of Danville; H. L. Harwood, secretary and treasurer; R. W. Spillman, E. H. Clowes, G. W. Rogers, C. Walton Saunders, John S. Harwood, R. S. Christian, of Richmond.

Still for Fight.

The session was devoted to routine matters and preparations for the State convention, to be held in Alexandria next Friday and Saturday.

The reports of the various committees showed that the Virginia Division is engaged in active work in every branch conducted by the association.

The board was much pleased with the decision rendered by the State Corporation Commission in the two-cent rate matter, in which the T. P. A. was the prime mover, and instructed the railroad committee, of which Mr. A. D. Brockett, of Alexandria, is chairman, to press the fight in the Supreme Court in the event the railroad should appeal from the commission's decision.

Hon. A. C. Braxton represented the association during the hearing before the commission, and will be retained in case of appeal.

Many New Members.

The report of the membership committee, submitted by Mr. C. Walton Saunders, showed the division had made the largest gain in its history and had won the \$200 gold prize offered by the National Association. Virginia was in competition with Tennessee and Texas, and secured more new members than these two States combined, the net gain being: Virginia, 685; Texas, 360; Tennessee, 204.

It is interesting to note that the National Convention for the largest percentage of gain, it will probably go to a division whose membership is considerably smaller, thus allowing it to make a larger percentage of gain, although Virginia made the largest gain.

The hotel committee reported very favorable rates for the National Convention, which will be held at the Jamestown Exposition during July and August.

State Convention.

The delegates chosen to represent Post A will assemble to-morrow night at headquarters to complete arrangements for the State convention in Alexandria.

Post A is entitled to seventy-two delegates, and a number of them are yet to be chosen.

The sixteenth convention of the State division promises to be one of the most successful in its history and the association. Every minute of the two days will be devoted to work and pleasure, and it appears from the program that the major portion of the time will be given to entertainment of the guests.

The program includes side trips around the city, three luncheons, a theatre party to Washington, trolley trips to the tomb of George Washington, Mount Vernon, and the home of Robert E. Lee at Arlington. Mayor Frederick J. Paft will welcome the delegates and President C. E. Herbert will respond on behalf of the visitors.

PERIODS OF PAIN

While no woman is entirely free from periodic suffering, it does not seem to be the plan of nature that women should suffer so severely. Irregularities and pain are positive evidence that something is wrong which should be set right or it will lead to serious derangement of the feminine organism.

Thousands of women, however, have found relief from all periodic suffering by taking Lydia E. Pinkham's Vegetable Compound, which is made from native roots and herbs, as it is the most thorough female regulator known to medical science.

It cures the condition which causes so much discomfort and pain, and women who are troubled with painful or irregular functions should take immediate action to ward off the serious consequences and be restored to health and strength by taking

Lydia E. Pinkham's Vegetable Compound

Miss Adelaide Nichols of 324 West 22nd Street, New York City, writes:—Dear Mrs. Pinkham:—If women who suffer would only rely upon Lydia E. Pinkham's Vegetable Compound their troubles would be quickly alleviated. I feel greatly indebted for the relief and health which has been brought to me by your inestimable remedy."

Lydia E. Pinkham's Vegetable Compound cures Female Complaints such as Falling and Displacements, and Organic Diseases, Headache, General Debility, Indigestion, and invigorates the whole feminine system. For the derangements of the Kidneys of either sex Lydia E. Pinkham's Vegetable Compound is excellent.

SUDDEN DEATH OF CLERK E. J. WHITEHEAD

Prince Edward County Official Was in Usual Health Friday, but Died Yesterday.

(Special to The Times-Dispatch.)

FARMVILLE, VA., May 4.—E. J. Whitehead, the popular Circuit Court clerk of Prince Edward, died suddenly this morning. He was thirty-two years of age, and leaves a widow, who was formerly Miss Mattie Wainwright, of York county.

Mr. Whitehead was in his usual health up to last night, when he was stricken by the illness which terminated in his sad death.

While there had been no rapid change for the worse within the past week, he had been in poor health for several years, suffering with lung troubles, which necessitated his spending a winter in Colorado a few years ago.

Mr. Whitehead was perhaps the youngest court clerk in the Commonwealth, being only thirty-two years of age at the time of his death.

When he was not quite twenty-six years of age he was appointed County Court clerk to succeed the late W. H. Thackston under whom he had served as a deputy. Later he was elected by the people to be Circuit Court clerk, and he filled that important office with credit to himself and to the satisfaction of his constituency.

Mr. Whitehead was a member of the First Baptist Church of Farmville, a member of the board of deacons and an active worker in all of the church's enterprises. He was a modest, unassuming young man whose good works were manifest, and he will be greatly missed by the community in which he lived.

Principles that Stand

In starting the GLOBE Clothing Company our fundamental principles were to give our customers the BEST VALUES for the LEAST MONEY that skill and ingenuity could reach.

In the first place our energies were centered on buying the materials at the very lowest market prices that cash could command. Our next aim was to get the WORKMANSHIP to its HIGHEST STANDARD.

That we have attained this, is proved by the fact that we have done more business this season than at any time in our history.

The prices of materials and labor have advanced, a fact that you know, YET WE HAVE MAINTAINED OUR OLD PRICES.

STUCK PISTOL IN FACE OF PORTER

The quiet atmosphere that usually pervades the rooms of the Albemarle Club on Franklin Street, was rudely disturbed last night, when an intruder entered the backyard and poked a pistol in the face of Henry Poindexter, a porter at the club.

The incident was reported to the buffet-tender, Lewis Jackson, who armed with a gun, thereupon inspected the premises in the rear. No further indications of the presence of a visitor were discovered. The case is being investigated.
